TECHNICAL SKILLS

EDUCATION

2021 - 2024

University of Karachi
Islamic Studies with Computer
Technology

2023

SMIT Karachi
Flutter Course

2018 - 2020

Islamia College
Pre-Engineering

CERTIFICATIONS

Flutter Development Course
SMIT Karachi (2023)

PROFESSIONAL SUMMARY

Passionate Full-Stack Developer with expertise in creating seamless digital experiences from frontend to backend. Specializing in Flutter for cross-platform development and .NET Core for robust backend APIs. Proven ability to deliver complete, full-stack solutions by turning complex problems into elegant, efficient code. Committed to continuous learning and staying at the forefront of technology trends.

PROFESSIONAL EXPERIENCE

2024 - Present

Flutter App Developer - 4D Technologies

- Developing cross-platform mobile applications using Flutter & Dart
- Implementing robust backend solutions with .NET Core
- Building scalable and secure RESTful APIs
- Collaborating on full-stack development projects

PROJECT PORTFOLIO

Quizler Quest: Quiz Game

Technologies: Flutter, Dart, Stacked (MVVM), SQLite, Google Play Games

Multi-game quiz platform with 6 unique game modes and real-time progress tracking

- Live on Google Play Store with cloud-synced leaderboards
- Real-time progress tracking and achievements

EcoTrack - Environmental Monitoring

Technologies: Flutter, .NET Core, SignalR, Firebase

Real-time temperature & humidity monitoring system with historical data analysis

- Role-based authentication and push notifications
- Charts and tables for data visualization

SteriTrack - Sterilization Management

Technologies: Flutter, WiFi Communication, Thermal Printing

Medical device integration via proprietary WiFi API

- Sterilization cycle classification and reporting
- Audit logs and user management system

CORE COMPETENCIES

- ✓

Full-Stack Development
- ✓

Flutter & Dart Cross-Platform
- ✓

.NET Core API Development
- ✓

Clean Architecture
- ✓

Database Design & Management
- ✓

Performance Optimization
- ✓

Security Implementation
- ✓

API Integration & Development

PROFESSIONAL ATTRIBUTES

Problem Solver: Thrives on turning complex challenges into efficient solutions

Continuous Learner: Committed to staying updated with latest technologies

Quality Focused: Implements best practices in coding and architecture

Team Player: Excellent collaboration and communication skills

Let's Build Something Amazing Together!

Ready to bring your ideas to life with cutting-edge technology and innovative solutions.
